MAY 2018

# May is Festa Italiana Time!

Spring weather is finally here!

After a cold winter, and rainy start to the spring, I know our staff and individuals look forward to getting outdoors. Some of our folks should enjoy the new garden and raised garden beds that have been recently installed. Thank you to our volunteers that came out on April 14th. to work on this special project.

Another successful Spring Fling is behind us. Thank you to all the staff and families that came

out to enjoy a day of music, awards, and burgers and hot dogs, compliments of the Nevins Board of Directors.

Congratulations to Delores Miller who was presented with the 2017 Melanie Lester Employee of the Year Award. Delores has been with Nevins for close to 20 years. Not only has she provided services to our individuals that Nevins supports, Delores also serves as Club Advisor for the Aktion Club.

Also, congratulations goes to Greg Brown who was presented the 2017 Bridget Murphy Patron of the Year Award. Greg has been serving as part-time CFO for Nevins for 6 years. Greg has been very instrumental with systems he has helped me put into place to successfully lead Nevins financially which has been part of the growth we have seen over this past year.

Congrats to everyone!

## Notes from Natasha

We have introduced a new column from our Program Director, Natasha Young, to provide helpful tidbits for our Nevins community and your life.

in·no·va·tion

the action or process of innovating.

change, alteration, revolution, upheaval, transformation, metamorphosis, breakthrough; a new method, idea, product, etc.

In this day and age, you have to have an Innovator's mindset and be willing to

strike out on new innovations.

In our line of work, it may seem easier to "Go with the flow" but consider the opportunities that are created when you think outside the box.

# **Clinical Services Update**

"Self-compassion is simply giving the same kindness to ourselves that we would give to others." – Christopher Germer

Nevins will participate in several transition events this month to promote our clinical programs, and give parents and potential participants a glimpse at all that Nevins has to offer. These events provide pre-transition planning and services for Charlotte Mecklenburg School System students with disabilities to help support their Post-secondary goals.

May marks the observation of Mental Health Awareness Month, which seeks to raise awareness of trauma and the impact mental health can have on the physical, emotional, and mental well-being of individuals and their communities. Mental Health is described as a person's condition with regard to their psychological and emotional well-being. Here at Nevins we work with many individuals who have Mental Health diagnosis, and also are mindful that every individual's mental health is important; members and staff alike. A mental illness causes disturbances in thinking, behavior, energy or emotion, and can make it difficult to cope with the ordinary

demands of life. Oftentimes stigma and misinformation can become very overwhelming for someone who is struggling with a mental health condition.

Below are just a few simple self-care tips for everyone to remember when dealing with their mental health:

- Celebrate all of your victories (little ones included).
- ♦ Forgive yourself.
- Eat healthy and balanced meals.
- Make a list of things you love about yourself.
- Do something you've always wanted to do.
- ♦ DANCE.
- ♦ Have a one-on-one with yourself.
- Change up your routine if possible.
- Create a vision board for your future.
- ♦ Start your day with gratitude.
